

Make Learning Beautiful with Fadeless® Designs

Mural Background: "Under The Sea" Fadeless® Design Paper

1st & 2nd Grade Collaborative "Under The Sea" Mural

Learning Objectives for Grades 1 and 2

Developed by Children's Creativity Specialist, Stephe Morton, Ft. Collins, Colorado.

Students will:

- Investigate characteristics of ocean environments.
- Recognize that the undersea world is inhabited by culturally diverse species.
- Know the differences between underwater species and be able to demonstrate them using various media (collage technique emphasizing creativity and craftsmanship).
- Develop and reinforce language, research, science, and aesthetic concepts through the use of reference materials.
- Act as continuous learners as they develop a lifelong interest and appreciation for the beauty of life under the sea.
